April 3, 2017  
Minutes

Present: Susan Full, Cheryl Hance, Jay Hance, Mark Jury, Lyle Lascelles, Ken Meyer, Pam Pratt, Debbie Webber, Mike Webber.

Chaplain Jay Hance called the meeting to order, opened with prayer, and read Matthew 28:19-20. The group sang "Make Me a Blessing," and then recited 2 Peter 3:9. Chaplain Hance reviewed the "Roman Road to Salvation." Pam Pratt moved that the minutes of the March 6, 2017 meeting be approved and Debbie Webber seconded the motion. The minutes were approved as written.

Old Business

**State road cleanup:** Lyle Lascelles completed the application and hand-delivered it. Our chapter has been assigned a two-mile section of Illinois Rt. 78 south of Havana. We are expected to do cleanups three times per year: once in March, April or May; once in June, July or August; and once in September, October or November. We must notify IDOT when we set a date to do cleanup, and they will issue vests and garbage bags. Lyle will check to see how far in advance we need to contact IDOT before a cleanup. Members agreed to hold the first cleanup day on Saturday, May 6, the goal being to finish by noon. It was suggested that each person have a pick-up tool of some type.

**2017 Calendar:** Director Full has purchased the cardstock and will arrange for printing.

New Business

**Food event at Farm & Home Store:** Pam Pratt reported that we cannot have the hotdog/beverage giveaway at Farm & Home due to restrictions on their insurance. Jay Hance offered to see if we could do this at County Market; it was noted we would probably be required to purchase the food from County Market. Other locations suggested were the riverfront and the parking lot at the former Oney's/Alco stores.

**Bath Ball Diamond project:** Missions Coordinator Cheryl Hance described the project. A new ball diamond is being developed at Bath; new dugouts have been completed. The planners would appreciate our help with stretching fencing and painting. When they have the materials, they will give us 48 hours' notice of a workday. Weather is delaying work at this time. Any who wish to help are welcomed.

**April Bike Night:** No Bike Night will be held in April; plans for a May or June date will be made at the May 1 meeting.
